

Motivating & educating Sevier County residents and guests to take greater responsibility for improving our community's environment.

### Recycling

We work hand-in-hand with Sevier Solid Waste, Inc. to keep 70% of our waste out of the landfill.

### Litter Prevention

Reducing litter to preserve the beauty of our community and the Great Smoky Mountains National Park.

### Beautification

Enhancing the beauty of our area through community gardens, restoration and plantings.

### Education

Educating and engaging residents and businesses on litter prevention, recycling, and beautification opportunities.

**SEVIER SOLID WASTE INC.**  
Serving Sevierville, Pigeon Forge, Gatlinburg, and the Great Smoky Mountains National Park

## We Recycle... Do YOU?

*SEVIER COUNTY BOASTS THE HIGHEST RECYCLING RATE IN THE STATE OF TENNESSEE*

*ALL THE WASTE FROM THIS COUNTY IS TAKEN TO SSWI, THE LARGEST MSW COMPOST FACILITY IN THE NATION*

*60% OF ALL THE WASTE FROM THIS COUNTY WILL BE COMPOSTED*

- All our organic waste (such as paper and foodwaste) become grade A compost - used throughout the Southeastern United States for farmers and soil erosion control
- With all SSWI recycling efforts (shown in table below), Sevier County has a 70% recycling rate

SEVIER COUNTY, TENNESSEE
